PLUG INTO THE HIGHEST POWER

June 12, 2020

THANK YOU!

As president of your church council, I want to personally and sincerely thank a group of unsung “heroes” who devoted themselves to the timely reopening of our worship services. Council members, pastors, staff members, and volunteers have expended an unimaginable amount of energy to approve and implement a plan to safely begin the reopening of our church facility. While many were involved in this herculean effort – and at the risk of singling out an individual – one person in particular needs to be recognized. Our council Coordinator of Worship – Pam Burmood – has dedicated countless (and I do mean COUNTLESS) hours of time and on-going research into developing a plan that has been shared, evaluated and approved by all in worship leadership positions. Her concerted efforts far exceed the expectations of her position and without those efforts we would not be anywhere near where we are today. And...she continues to monitor in great detail the on-going circumstances of the covid crisis to alert us as things change. She is indeed a blessing for our congregation and I urge you to stop and thank her personally for her magnanimous and detailed effort on behalf of our beloved church – American Lutheran.

Dr. Tray Schreiber – ALC Council President
